

C O M P A N Y P R O F I L E

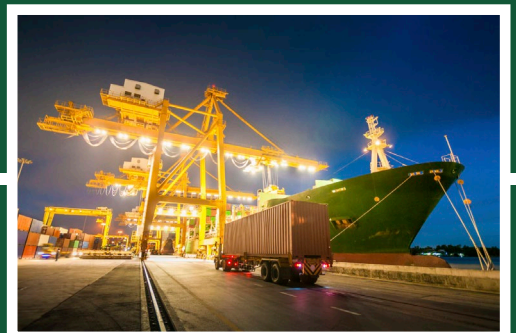

Loadstar Logistics is a leading transport and warehousing company located in Africa's busiest port Durban, thus being ideally situated to serve all South African destinations and beyond.

The company offers transport logistics solutions for all cargo types serving multiple destinations across South Africa as well as over border transport into our neighbouring countries.

Our company vision is to be a market leader providing cost effective transport solutions across all cargo sectors. Our mission is to become an integral part of our customer's supply chain. Our management team, with a combined experience of 28 years in the transport sector, constantly strives for excellence in providing a personalised service to our client base.

Our warehousing facilities offer a broad spectrum of cargo services including cross-docking, storage, handling as well as an integrated warehouse management system for stock management.

- **GIT-contingent liability for all transporters**
- **Satelite Tracking-for up to date cargo status**
- **BBBEE Level 2-125% BBBEE procurement recognition**

O u r S e r v i c e s
